

What time is it?

▶ Look at these clocks and watches. Then listen and repeat. Now listen again and give the corresponding numbers.

▶ Look at the departures board, listen and repeat the times.

▶ Listen to the announcements and give the gate numbers.

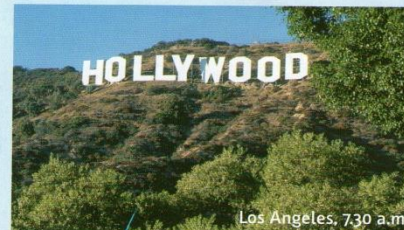

Departures

Flight	Time	Destination	Boarding Gate
CA282	10.05	Toronto	6
BA134	10.20	London	9
QF31	10.30	Sydney	2
AA105	10.40	New York	11
UA606	11.10	San Francisco	13
AL187	11.15	Dublin	1

▶ Observe the map:

Eg.: When it's 12 a.m. (noon) in London, it's 7 a.m. in New York.

You: When it's... in London, it's... in...

$$\begin{array}{r} 12 \\ - 5 \\ \hline = 7 \end{array}$$
